

# STONDECK RESURFACING SOLUTION

Syntheteak and Decoro are durable, decorative systems designed specifically for outdoor applications. Both are nominal 3/16 in. /5 mm resilient, aliphatic polyurethane flooring systems, designed for outdoor solutions for the hospitality industry - pool decks, bars, patios and reception areas.

Decoro comes in five standard colors. Custom colors and designs available.

Syntheteak is offered in two standard teak-like colors. Custom colors are available.

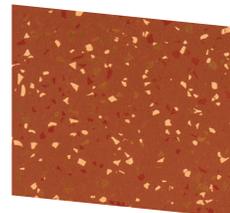

## DECORO

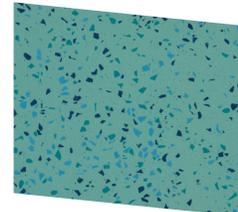

BURNISHED BRONZE

TORTILLA

TERRA

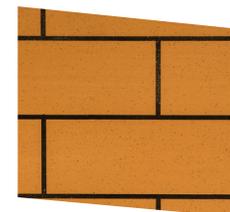

CABANA BLUE

CHILLED

## SYNTHETEAK

Available in two natural teak wood shades with choice of black or brown grout lines

TROPICS

HEATHER
